INTERNATIONAL MASTER IN BUSINESS ADMINISTRATION [IMBA]
We are one of the leading business schools in Spain, with an experience of over fifty years training business and marketing professionals. We strive to incentivize, promote, and maintain a direct relationship with the business environment in order to provide you with a practical academic training which focuses on the needs of the labor market. We offer training with values, to engage successfully as a highly qualified professional with excellent command and knowledge of the latest trends.

ESIC’s International MBA (IMBA) received the EPAS accreditation from the European Foundation for Management Development (EFMD) on February 2016. With this ESIC’s IMBA joined the elite of EFMD-accredited programs reinforcing the leadership of the School in the field of marketing and boosting the employability of its graduates. EPAS recognises and accredits the quality and the international level of business and management programs.

The IMBA is accredited by the Association of MBAs (AMBA) and the European Foundation for Management Development (EFMD-EPAS). Due to this ESIC’s IMBA is part of the elite of accredited MBA programs (less than 280 in the world) which strengthens its international positioning and boosts the employability of its graduates. Both AMBA and EFMD recognize and accredit the quality and the international level of business and management programs.

The quality of our programs is endorsed by national and international accreditations and certifications:

### Subject to change
The IMBA at a glance

Degrees awarded upon completion:
International MBA from ESIC Business and Marketing School and MBA from Shanghai International Studies University.

Teaching methods:
Student-centred learning guided by educators, tutors, and mentors to understand, practice, reflect, and apply both subject-specific knowledge and transferable skills. The aim is to create a virtuous cycle of action-feedback-analysis-action for participants. All the delivery is in English. During the period in Shanghai, participants will join the MBA program at SISU.

Further double degree options:
After completing the teaching block in Shanghai, participants can continue their studies for 6 months at Florida International University (extra fees apply) and receive a Master of International Business.

Student profile:
Entrepreneurs who want to broaden their knowledge of international business practices, re-orientate their career or update their management knowledge with a global focus. In addition, participants should be passionate about the opportunities that globalisation brings and the changes in the business environment that this is creating.

Final project:
The final project gives participants the opportunity to apply the knowledge and the experiences they have acquired during the program, both in Europe and China, to a real-world problem.

Supported by faculty from ESIC and SISU, participants will design, develop, and present individually a real business plan in China at the end of the programme.

The submission takes place in September and the presentation in mid-April of the following year. Candidates can return to their home countries after finishing the teaching period at the end of June, submit the project by post, and present it via Internet.

Teaching period:
55% in Spain and 45% in Shanghai.

Chinese Language course:
The programme includes a Chinese language course during the stay in Shanghai.

*SUBJECT TO CHANGE
The ESIC Alumni network was created in 1972. It aims to maintain, promote and strengthen professional links among ESIC’s graduates and public and private organizations, and support the development and progress of their members and the institutions they belong to.

There are more than 60,000 former students working in different positions worldwide.
ESIC offers help and support for graduates in their professional development after finishing the program of studies. The Professional Development Unit is responsible for giving advice, services, and related resources to help participants and graduates to meet their career aspirations. This service is available from the moment they enrol in the School until their retirement; i.e. graduates can use the Professional Development Unit during their whole professional life. Every academic year the Professional Development Unit processes more than 2,000 placements/internships and another 3,500 job opportunities.

Encouraging entrepreneurship

ESIC Entrepreneurship Center provides the environment, facilities, support, and advice for participants to develop their business ideas.

Around 7% of MBA graduates start their own business at graduation which places ESIC in the 1st position in Spain and 11th position in Europe in the creation of companies, according to QS.

ESIC Language School offers language training (general and/or business oriented) in French, Chinese, Spanish, and English. The School is an official examination center for the most renowned language examinations like DELE, TOEFL, or Cambridge.
