
COMUNICADO INSTITUCIONAL

Barcelona, 12th March, 2020

Dear Postgraduate Students of ESIC Barcelona,

As a follow up to the last indications the health authorities and the Conselleria d'Universitats de la Generalitat de Catalunya have taken, we would like to provide you with some information on how to continue your teaching activity over the following days to minimize the impact of the situation.

- For the next 14 days (from the 13th to the 26th inclusive) classroom-based teaching will be suspended.
- In order to ensure continuity to the evaluation of your subjects, you will have access to the online platforms where your teachers upload new material. We invite you to log in to be able to keep moving forward with the development of the program. On the next days, the school's staff will keep you updated with more instructions.
- We would also like to inform you that we are currently working on making sure all the learning academic goals are all met.
- If you have any question, please get in contact with your teacher or the Director of your program, always copying the academic coordinator of your program of the school in Barcelona.

We hope that together we can compensate the absences of these classes in the best way possible. We will keep you updated with any relevant information.

Thanking you in advance for your understanding.

Kind regards.

Eduard Prats Cot
Director General ESIC Catalunya
Adjunt a la Direcció General d'ESIC
