

ESIC University Declaration on European Values

ESIC University, as an active participant in the Erasmus+ program, reaffirms its unwavering commitment to the European Union's foundations and values.

We fully subscribe to the principles of respect for human dignity, freedom, democracy, equality, the rule of law, and respect for human rights, including the rights of minorities, which are the essence of coexistence in our society.

Conscious of our role in educating future generations, we reaffirm our commitment to these values as set out in Article 2 of the Treaty on European Union and Article 21 of the EU Charter of Fundamental Rights.

We commit to actively promoting education and an environment that respects non-discrimination, tolerance, justice, solidarity, and equality between women and men.

We recognize the importance of these values as evaluation criteria for our Erasmus+ activities and projects.

We are committed to ensuring that all initiatives this program implements reflect these fundamental principles and promote a positive and lasting impact in our community and beyond.
