

An overhead view of a meeting around a light-colored wooden table. Four people are seated: a man in a dark suit at the top left, a man in a blue suit at the top right, a man in a dark suit at the bottom left, and a woman in a red top at the bottom right. The table is cluttered with business-related items: two laptops, a tablet, a smartphone, a coffee cup, a pen, and several sheets of paper, including one with a world map and another with a pie chart. The entire image is overlaid with a semi-transparent green filter.
